The opportunity to vote is among Americans’ most valued rights and most important civic duties. Each election cycle, county Farmers Federation leaders interview candidates and recommend endorsements. The guide is provided as a tool for members. We encourage you to study the positions of all candidates and vote your choice. Please exercise your right to vote in the Primary election on Tuesday, March 3.

FarmPAC is the grassroots political arm of the Alabama Farmers Federation. Endorsements are recommended by county leaders based on meetings with candidates, their voting records and stated positions on issues important to Federation members. Congressional endorsements are made based on recommendations from counties in each district. Not all FarmPAC-endorsed candidates have primary opposition, and ballot appearance will differ by county. Democrat and Republican sample ballots for each county are available on the Secretary of State website at sos.alabama.gov.
