

Alabama Farmers Federation

Young Farmers Discussion Meet

Rules for 2023 Competitive Event

Background

The Discussion Meet is a competitive event promoted by the Alabama Farmers Federation Young Farmers Committee. The Farmers Federation's strength depends on its members' abilities to analyze agricultural issues and decide on solutions that best meet their needs. The competitive event is designed to simulate a committee meeting where discussion and active participation are expected from each committee member. Participants build basic discussion skills, develop a keen understanding of important agricultural issues and explore how groups can pool knowledge to reach consensus and solve problems. **A successful participant is a productive thinker rather than an emotional persuader. He/she will assist the group in creating ways to implement the solutions discussed and highlight Farm Bureau and the Farmers Federation's involvement in those actions/steps.** The state winner will represent Alabama in American Farm Bureau's national competition in Salt Lake City, Utah in January 2024.
