A LETTER FROM JIMMY PARNELL

When you head to the polls Nov. 3, I hope you take a moment to appreciate the impact of your voice and your vote. You are not just checking a box. You are exercising a great freedom championed by our Founding Fathers.

That vote should mean a little more during this 250th anniversary of the signing of the Declaration of Independence. When penning the U.S. Constitution a few short years later, American leaders purposefully crafted our country into a democratic republic. We are a democracy because government derives its power from the people. We are a republic because elected officials represent our citizens.

You – the people – are key to that concept.

This is especially important as we near the finish line of a campaign season where voter turnout has teetered historically low. It is imperative you make your voice heard Nov. 3.

It's also our responsibility to be an informed electorate. To help you evaluate candidates, we are pleased to provide this voter guide from Alabama FarmPAC.

Alabama FarmPAC trustees are leaders in your community. These men and women represent all 67 counties and have evaluated candidates based on their voting records, policy positions and relationships with Alabama Farmers Federation members. Our endorsed candidates understand the needs facing farmers, families and businesses. More importantly, they will listen to their constituents and fight for Alabama – whether in the courtroom, in your county or in our capital cities.

I not only encourage you to vote Nov. 3. I urge you to rally your family and friends to do the same. It is a privilege to live in this great nation. Make your vote count Nov. 3.

Jimmy Parnell
President, Alabama Farmers Federation
